

Fountains Earth School Anti-Bullying Charter

We at Fountains Earth School are working together to create a community where bullying is not tolerated.

We understand that bullying is when someone makes us feel frightened by hurting our feelings or us over a period of time.

How can we keep our school a safe and happy place?

Ask people to join in so they are not lonely

Respect our differences - everyone is important

Cheer people up if they get upset

No name calling or whispering

Take no notice of rumours

Not use our phones or computers to be nasty

Make new children welcome

Take responsibility for our own actions and words

Don't be afraid to report bullying

If we have a problem we can talk to:

Our teacher or teaching assistant

Any adult in school

Parents and family

Our friends

Our dinner supervisor
