Tuesday 11th July 2017

Dear Parent/Carer

We have held off increasing the price of school meals for several years and they have remained at £2.20 per meal/£11 per week. The governors have made the decision to increase school meals by 10p per day to £2.30 per meal/£11.50 per week starting in September. This brings the cost of a school meal in line with the recommended price, and funding amount received to school from the government for the Universal Infant Free School Meals (free meals for Reception to Yr 2 children).

Our school meals still offer good value and excellent choice of a healthy school meal for your child/children. If your child would like school meals in September please complete the attached meal choice as usual and return the school office before the end of term if possible.

Kind Regards

Ang Lumley
Business Manager
